

Joshua 13

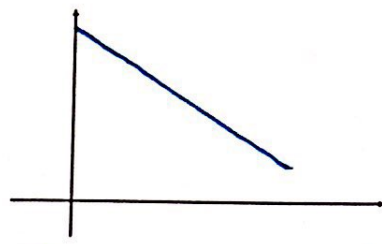

Sketching and Describing Graphs

1)

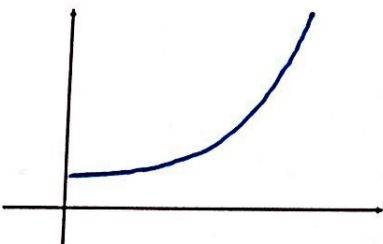

Increasing at a constant rate

2)

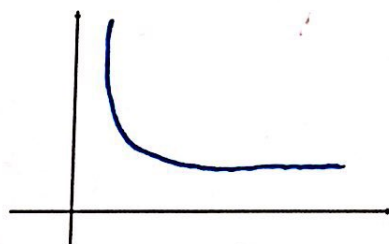

Decreasing at a constant rate

3)

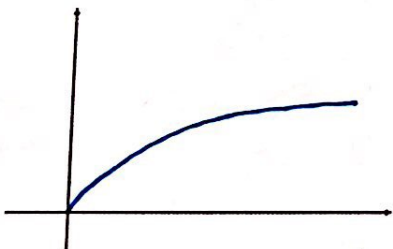

Increasing at a slow rate and then at a faster rate

4)

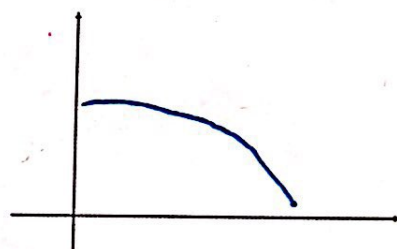

Decreasing at a fast rate and then at a slower rate

5)

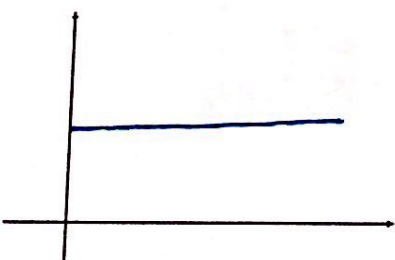

Increasing at a fast rate and then at a slower rate

6)

Decreasing at a slow rate and then at a faster rate

7)

Constant rate of zero
